Discipline Hearing Summary

Registrant A

May 28-29, 2018

Decision

On May 28 and 29, 2018, the Discipline Committee considered allegations of professional misconduct brought against Registrant A¹, a Registered Massage Therapist (RMT). On April 9, 2019, a Panel of the Discipline Committee issued a decision making no findings with respect to the following alleged acts of professional misconduct:

1. sexual abuse of a client;
2. contravening a Standard of Practice of the profession or a published standard of the College, or failing to maintain the Standard of Practice of the profession;
3. physical abuse of a client;
4. engaging in conduct or performing an act relevant to the practise of the profession that, having regard to all the circumstances, would reasonably be regarded by registrants as disgraceful, dishonourable or unprofessional; and
5. engaging in conduct that would reasonably be regarded by registrants as conduct unbecoming of a Massage Therapist.

The Discipline Committee found that the College had not met its burden of proving the allegations of professional misconduct on a balance of probabilities.

The complete Decision and Reasons are available online on the Canadian Legal Information Institute (CanLII) [website](#).
