

Extensions for Examination Candidates due to the impact of COVID-19

Examination candidates must have successfully completed a recognized Massage Therapy education program no more than three years before the date of their exam. In recognition of the impact the COVID-19 pandemic had on this timeframe, CMTO will grant a one-time extension for candidates equivalent to the time lost due to the certification examinations not being administered in 2020. The chart below outlines how the extension would apply based on an individual's graduation date, the original expiry date and the new expiry date based on the number of months lost due to the COVID-19 closures.
