

2020 Annual Renewal

In May 2019, Council reviewed registration fees and determined there would be no increase to renewal fees for 2020. 2020 Renewal will open on September 16, 2019 and the deadline to renew is November 1, 2019 at 11:59pm.

How can you renew?

Beginning September 16, 2019, you can access the renewal process through the [Registrant Login](#) section of the CMTO website. You will need to log in with your College ID number and password. If you cannot remember your password, please use the "[Forget Password](#)" function on the login page.

Address change? Be sure to update your information

Please be sure to review the address CMTO has on file and update your information if necessary. Please pay close attention to the format of your mailing address. For example, '1867 Yonge St.' is accepted but '1867 Yonge' is incomplete. If you have a unit or apartment number, the format is unit/apt number first, then street number, then address, i.e. 810-1867 Yonge St.

What are the fees for 2020 and when are they due?

There is no increase to the annual Certificate of Registration renewal fee for 2020. Fees are as follows:

- General Certificate (GC) - \$785.00
- Inactive Certificate (IN) - \$200.00

Annual renewal must be completed and received on or before November 1, 2019 at 11:59pm. After that date, a late fee of \$100.00 will be added to your registration fee.

Reminder: Professional Liability Insurance Requirement

The Registration Regulation under the *Massage Therapy Act, 1991* states that registrants with a General Certificate of registration must maintain the amount of professional liability insurance required under College by-law. If your insurance expires after you have completed your online renewal, you must login again and update your information. Your CMTO profile must always include your current insurance information.
