Discipline Motion Summary

Registrant S

December 15, 2021

Decision

On December 15, 2021, the Discipline Committee heard a motion to withdraw allegations of professional misconduct brought against Registrant S¹, a Registered Massage Therapist (RMT).

The Discipline Committee granted the request to withdraw the allegations listed below after the College explained that it did not have sufficient evidence to proceed with a hearing:

1. sexual abuse of a client;
2. contravention of a standard or a published standard of the profession, or failure to maintain the standard of practice of the profession, in particular the Standard for *Maintaining Professional Boundaries and Preventing Sexual Abuse*; and
3. engaging in conduct or performance of an act relevant to the practice of the profession that, having regard to all the circumstances, would reasonably be regarded by registrants as disgraceful, dishonourable or unprofessional.

The complete Decisions and Reasons are available online on the Canadian Legal Information Institute (CanLII) [website](#).

¹In accordance with s. 56(3) of the Health Professions Procedural Code, the registrant's name has been withheld from this summary.
