  - Proposed changes to **By-Law No. 9 – The Registrar**. The proposed changes allow for more flexibility by allowing the Registrar to appoint a staff person as Deputy Registrar, for any period. The change also distinguishes between the role of "Deputy Registrar" and "Acting Registrar", and allows Council to appoint anyone as Acting Registrar, whether or not there is a Deputy Registrar in place.
- Council reviewed the [2022-2023 Sexual Abuse Prevention Plan](#), which is posted on [CMTO's website](#).
- Council received an update on the implementation of the **jurisprudence program and risk-based assessments**.
- Elected Jay Mathers, Public Member, Vice-President.
