

# Candidate Statement

---

I have been a Registered Massage Therapist in Guelph and Surrounding areas for 16 years. I graduated from CTC in Burlington with a Diploma in Massage and Sports Injury Therapist. I have some experience as a clinic supervisor and massage therapy instructor at Medix College in Kitchener. I have worked in a variety of settings such as chiropractic office, gym, physiotherapy clinic, and multi-disciplinary clinic. I currently work in a multidisciplinary and have been at the same location for 8 years. I like to work on more complicated client cases where I get to work in conjunction with other healthcare professionals and where I can use my problem-solving skills to challenge my knowledge and skills as a Massage Therapist. I enjoy working in a positive and collaborative environment to ensure the best outcome.

My previous work experience was in accounting and business administration for 7 years. I have also volunteered my time as a track and field and soccer coach. I also have experience serving as a board member for a non-profit organization for several years. I am currently working on completing my yoga instructor certification.

I am an honest and hard-working person with excellent leadership and customer service skills. I am very cheerful and always put 100% into every task I undertake. I find people fascinating and enjoy working with a diverse group of people, this keeps me interested and challenged. I am really passionate about Massage Therapy and the education of Massage Therapists and would like to contribute more to both. I am looking for a new challenge and a better understanding of the workings of the CMTO. I look forward to the opportunity working with the CMTO so I can continue to grow and learn as a person and as a Massage Therapist.

Sarah De Spiegelare, RMT
