

Candidate Statement

I have been an RMT for 12 years and have worked in a variety of settings including a sports medicine practice, a spa, and as a sole proprietor. I have had the opportunity to understand concerns raised in many different practice environments.

Before becoming an RMT I worked for the Writers Guild of Canada, a union that represents film and television writers. Through this work I developed an interest in policy, regulation, and the upholding of rules and decisions within a collective agreement. This is an interest I have carried over into my career as an RMT and would enjoy continuing this on CMTO Council with like-minded colleagues.

I received my Diploma in Massage Therapy from ICT Kikkawa College. I also hold a Bachelor of Arts from Trent University and a Bachelor of Education from Queens.
