#### Decision

On December 17, 2024, the Discipline Committee heard a motion to withdraw the allegations of professional misconduct brought against Registrant C<sup>1</sup>.

The Discipline Committee granted the College's request to withdraw the allegations listed below after the College explained that it did not have the necessary evidence to proceed with the hearing because the client did not wish to testify:

1. sexual abuse of a client;
2. contravention of a standard of practice of the profession or a published standard of the College, or failure to maintain the standard of practice of the profession, in particular, the standards for *Consent* and/or *Prevention of Sexual Abuse*;
3. physical or verbal abuse of a client; and
4. engaging in conduct or performing an act relevant to the practice of the profession that, having regard to all the circumstances, would reasonably be regarded by registrants as disgraceful, dishonourable or unprofessional.
